Prayer for August.

By Daphne Kitching

Heavenly Father,
August – summer holidays and sunny skies.
All should be well and yet, around the world all is *not* well!
Every day, it seems, new wars begin, catastrophes occur, world politicians play power games - and people suffer.
It can feel overwhelming and we want to bury our heads in the sand, rather than build sandcastles on the beach.
Help us Lord, to look up; to see things with Your perspective; to remember that Jesus warned us that in this world we will have trouble. Then help us to remember that He told us to take heart, because He has overcome the world.
Father, help us to savor the summer, as we put our trust in You - our strength, our hope, our ultimate and unfailing security.
In Jesus name, Amen.

Message for the Month

August is a time of change in the lives of our young people this month, the very young preparing to start school, many preparing for new classes and new teachers, some changing schools, some recently left school waiting for their exam grades to plan what they do next, some considering starting college, others just left college and planning their next moves perhaps preparing to leave home for university or a new job and then there are those who have left university and considering what they do next. So much change. Some find change daunting and frightening, the fear of the unknown whilst there are some who embrace change and like the challenge of the unknown. I wonder where you are; do you fear change or embrace it.

We live in a world where change is inevitable, we cannot ignore it, we can't be like the ostrich who sticks his head in the sand waiting until the change has gone.

If you fear change or it causes you anxiety what can you do or how can you help someone who fears change, how can we support our children in facing change? The Bible gives us examples of how we can deal with the anxieties that change can bring, Philippians 4 says "I can do all things through him who strengthens me" and

1 Peter 5 says "Casting all your anxieties on him, because he cares for you".

We don't have to go through change alone, God walks with us, he can guide us and give us the skills and courage to face change and the challenges change can bring.

If you feel that you are alone, you feel that God isn't there then just read the Footprints poem:

One night a man had a dream.

He dreamed he was walking along the beach with the Lord.

Across the sky flashed scenes from his life.

For each scene, he noticed two sets of footprints in the sand:

one belonging to him, and the other to the Lord.

When the last scene of his life flashed before him, he looked back at the footprints in the sand.

He noticed that many times along the path of his life there was only one set of footprints.

He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it.

"Lord, You said that once I decided to follow you, You'd walk with me all the way.

But I have noticed that during the most troublesome times in my life, there is only one set of footprints.

I don't understand why, when I needed you most, you would leave me."

The Lord replied,

"My son, My precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I Carried You."

So when you are facing change and you feel that God isn't there, relax, stay calm because he doesn't leave you it is then that he is carrying you. I hope that this month as our children and young people prepare for the changes that are about to happen that they grow in courage and strength and face these challenges with confidence and that us parents encourage them and can look at them with a sense of pride.

"Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; he will never leave you nor forsake you." Deuteronomy 31

Otterden and Stalisfield W.I.

Otterden & Stalisfield W.I. had the pleasure of another visit from Katherine Hook, who is a natural speaker chatting about her passion in life other than Sloe Gin Chocolates - Motorbikes. Katherine showed us photos of the various bikes she has owned over her lifetime and shared with us the rides that she has attempted and completed. Although not a mechanic, Katherine rebuilds her own collectable bikes that she has purchased and then delegates the fitting of the mechanical parts to one who is qualified. She started working in a Motorbike shop in Tunbridge Wells, then eventually married the owner and had a family. They still work together at the shop, ride out in the months when the weather is favourable and then in the winter Katherine makes her Sloe Gin Chocolates to sell at various Craft Fairs and W.I. events (she brought some along for us too!)

The outing in July was to South Foreland Lighthouse, Dover, to which we car shared to make it more sociable and environmentally friendly - there is not much parking either. Our Member Sylvia Beck and her husband Steve are volunteer guides at this National Trust Property. They very kindly gave up their day to show us this wonderful Lighthouse with a dual guided tour taking a

couple of hours. This brought to life the talk that Steve presented to our Group at the March Meeting. Steve spent many hours at Trinity House collating the information to enable him to give an extremely informative and enjoyable Tour. We all managed the steps to the top to enjoy the spectacular far reaching views over the Channel and the internal workings of the Lighthouse. The Tour was preceded by Tea on arrival and then concluded with a Cream Tea at the Tea Rooms. We would highly recommend a trip to this National Trust site.

The next Meeting will be held on Wednesday 6th August at Stalisfield Village Hall commencing at 7.30 p.m. It will be more of a social occasion to give us all a chance to chat and bring 'fare to share'. We will then be able to formulate future outings as well.

Guests are very welcome at a small donation of £5 to cover refreshments. If you would like to join our Group, please contact Helen Brooks on 07477 580727 or Secretary Ellie Cameron on 07775 649337.

North Downs Walk - the sun shone on the righteous

The Rotary Club of the Weald of Kent held its annual North Downs Walk on Sunday 8th June. After a week of dodgy weather, and a Met Office warning of thunderstorms the day before, the 340 walkers were blessed with superb weather – dry, sunny and with a cooling breeze.

The event is a sponsored walk in support of Cancer Research UK (CRUK) and of the walkers' own choice of good causes. With a variety of routes from 1 mile (fully paved, therefore suitable for wheelchairs or baby buggies) to 9 miles including a climb up the North Downs, we attracted a full range of ages and abilities of walkers, including Scouts, Guides, Air Cadets, keen hikers and some family teams.

Early indications, based on the pledges on walkers' sponsorship forms are that the Walk will have raised about £20,000 once Gift Aid is included, of which about two-thirds will go to CRUK and the rest to causes nominated by the walkers (many of which are also cancer-related).

Chas Bedford, chairman of the organising committee paid tribute to the small army of volunteers, drawn from families and friends of members, other Rotary clubs and the sixth form of Oakwood Park Grammar School. They acted as route marshals, greeted walkers at checkpoints, registered walkers and sponsor forms, and staffed the kitchen – producing 450 ploughman's lunches, strawberries and cream,

and hot and cold drinks. "A lot of walkers have praised how friendly and professional our helpers were. I want to thank all of them. I also want to thank Family Funeral Service, our event sponsor, who have underwritten all our expenses again, meaning that every penny raised in sponsorship has gone to the charities and not to overheads."

Weald of Kent Rotary have been running the North Downs Walk since 1985, missing only 2020 due to lockdowns, and intend to continue running it as long as there are walkers. Planning for the 2026 walk has already started. Save the date: 14th June 2026.

How to spot parcel delivery scams

Parcel delivery scams are becoming increasingly common. They are known as phishing scams, and aim to trick you into giving away your personal information and financial details, so your bank account and money can be accessed.

One way scammers do this is by enticing people to click on links, which can lead to fake websites, in the hope that this information will be entered. This can be in the form of a text, or an email or phone call. There are also reports of fake 'Something For You' cards, which Royal Mail leave when a delivery is attempted, but no-one is home.

Here are some tips on how you can stay vigilant and spot the signs of a parcel delivery scam:

- If you're waiting for a parcel, and get a message that asks you to pay to get it, it's usually a scam.
- Don't click any links or attachments in the text or email. Delivery companies won't ask you to pay them through a link in an email or text.
- To check if a link is genuine, hover your mouse over the link without clicking on it, or press and hold on the link on a mobile device. You should be able to see the address the link goes to, and check it's the same as the company's official website address.
- Make sure you check the address carefully - fake link addresses can look similar to the genuine address.
- Other signs of a message that is a scam include bad spelling and grammar, and when it starts with a general greeting instead of your name. But, scam messages can sometimes be sophisticated - so don't rely on obvious mistakes only.
- If you get an email, check if the email address matches the sender's name or organisation - you might have to click on their name to see the email address.
- If there's something you're unsure about, don't feel pressured to act. You can find the official details for the company the person who has contacted you says they're from, and ask the company if they've contacted you.

You can check if you think something might be a scam, using an online tool on the Citizens Advice website. If you have been scammed, you can report it on the Citizens Advice website, and check what else you need to do - including protecting yourself from further risks. Find out more at www.citizensadvice.org.uk/consumer/scams

Being targeted by a scammer or falling victim to a scam can make people feel anxious or embarrassed, but it's important to remember scammers are clever and scams can happen to anyone. Reporting them helps track down and stop scammers, and prevent other people from ending up in the same situation.

Heaven's Ultimate Gift

by Audrey Keen

And how can I define
The fragrance that exude
From a summer's day in the
country.
Smells of flowers, dry grass,
corn,
Wet undergrowth and hot
trees,
Earth and bracken
Honey and herbs,
Where the earth is infused
With sweet things
And the heat rays
Draw perfume from every
Wood, grass bank, field,
Meadow, hedgerow, heath,
Rare and treasured scent
Sought after, but
uncapturable
Is this, heaven's ultimate gift.

Kent Fire and Rescue Service
is inviting people across the county to
give their views on its forward plans
to protect rural residents and
businesses. The consultation closes
on 1 October 2025.

prepare • act • protect

From 8th July 2025, people across Kent and Medway are being invited to have their say on Kent Fire and Rescue Service's (KFRS) forward plans to protect rural residents and businesses from the risk of fire or other emergencies.

And with around 85% of the county classed as rural, it's important to give your views.

The plan outlines how KFRS already supports people who live and work in the countryside, and how the service intends to enhance its response to risks associated with rural living.

The proposal also considers the relocation of a water rescue vehicle.

The rural plan has been approved by the Kent and Medway Fire and Rescue Authority - the body that governs KFRS and is now open for public consultation.

People have until 1 October 2025 to take part here: <https://eu.surveymonkey.com/r/kfrspublicconsultation2025>

Helping rural communities to prepare, act and protect

Rural homes and businesses face unique risks, including timber-framed buildings, thatched roofs, isolated properties, mobile homes, wildfires, and limited water supplies.

To help alleviate these hazards and reduce the chance of a fire or other emergency, KFRS' rural plan aims to support people in

rural communities to prepare, act and protect themselves, by:

Prepare – Helping you to understand the risks in rural areas and provide you with guidance and advice on how to stay safe.

Act – Supporting you in putting measures in place and taking action to improve your safety.

Protect – Protecting you and your home in times of need.

To achieve this over the next four years, KFRS is proposing a number of targeted prevention and protection activities, including:

Positioning dedicated wildfire response teams at key locations, with the right vehicles and equipment to reach incidents in difficult rural areas quickly and safely.

Working with local people, landowners and other organisations to manage green spaces, helping to stop fires from reaching homes and businesses.

Work with farming and local community groups to increase awareness of fire safety issues

Helping people to prepare for and recover from emergencies within rural communities.

Exploring ways to recruit more on-call firefighters for daytime shifts, and how they can offer more local support.

Increase our business engagement, working with small business groups and rural

organisations, to improve awareness of building safety legislation and responsibilities for business owners.

“Reflect the ever-changing needs of our rural communities”

KFRS Chief Executive Ann Millington said: “To help us provide the very best service, it's important to identify the unique risks associated with living and working in small towns and villages.

“We want to ensure the support we deliver reflects the ever-changing needs of the people we serve across Kent and Medway.

“And with one in three people living in rural areas, it's vital we have your views on our proposed plans to enhance our operational response and prevention work.”

Many people living in the countryside are in isolated locations, with some residents who might not have access to the internet.

Ann added: “To help us reach as many people as possible, we're asking everyone to share the link to our survey.

“Or, if you know of someone who doesn't have access to the internet, please pop by and help them to give their views.”

Last month we considered how we are welcomed at the beginning of a church service, as we come together to enter into the real presence of God.

This month let's consider how we say 'goodbye' at the end of the service.

For the leader of the service doesn't just say something like, "Thanks for coming, lovely to see you - have a great week." Rather, there's a promise and a blessing for each of us as we take what we have 'received' from the service into the world.

So the crunch question is: what do you get out of coming to a church service?

The ideal is: You have been met with a friendly welcome followed by music you love, played at the perfect speed with no squeaky singers in the congregation. Then, an inspiring sermon which gives you something to think about for the coming week. After that, prayers that speak of what is on your heart and what you have heard on the news that week. Finally, good fellowship and a cuppa after the service, where you can feel part of 'them', rather than ignored because you are only visiting.

Following all that good stuff, you go out of the church with a spring in your step!

Of course, in the real world not all those boxes get ticked.

But still we can go to church with hope, and ideally, we leave it in peace. The time that we spend together is the 'easy' bit. The real challenge begins when we go out the door and back into the daily round of home life and work. But we can be sure that we do not leave God at the church door. He always comes home with us, and He is there to help us throughout the coming week. That is why we can indeed 'go in peace'.

This month

When you next go to a church service take note of the leader's closing words and your expected responses to them. How heartily can you agree with them? How do they make you feel?

With only a few crops harvested before the rain the idiots have been around the village hare coursing and driving through the fields. Not only is it barbaric but again the hard work the farmers are doing getting their fields ready for the next crop having them destroyed.

If hare coursing is seen to be carried out please ring 999 and mention Operation Galileo and give all details so that those carrying out this crime can be apprehended.

Be tolerant over the next few weeks as the harvest will be gathered in so do not be surprised to see a tractor around the next corner.

Plan any journey that you may be making as there are many major road works going on in our area for about 6 weeks.

Had a couple of minor incidents in the village this month one a number plate being stolen and the other a minor crime at the village hall.

Take care driving around the lanes as the hedge rows are rather overgrown and makes the roads rather slimmer.

Have a good month and take care
Alan

New Members Welcome

"Just as a **body**, though **one**, has **many** parts,
but all its many **parts** form one body,
so it is with **Christ**. For we were all baptised
by one **Spirit** so as to form one body...
Even so, the body is not made
up of one part but of many...

...Now you are the body of Christ,
and **each** one of you is part of it."
from 1 Corinthians 12:12-27
