We read in our newspapers about how vital emergency foodbank parcels are for those who face sudden financial difficulty or delayed benefit payments. A special thank you to the children of Eastling School who brought foodbank items for their harvest gifts. They were delivered straight away and the organisers asked for their thanks to be passed on to the children and their families.

## The Stalisfield Pantomime

# Peter Pan

Peter Pan and Fairy Dust lead the three Darling children over the rooftops of Stalisfield and away to Neverland - the island where the lost children of the North Downs play. Magic and mischief is in the air but if villainous Captain Hook has his way, before long someone will be swimming with the crocodiles...

Join us for traditional panto fun and mayhem on Friday 8th or Saturday 9th December 7.30pm in the Village Hall. Tickets are £6 adults and £4 children and are available from [peterpan@stalisfieldvillagehall.co.uk](mailto:peterpan@stalisfieldvillagehall.co.uk) or from Sharon on 01795 890415; but don't leave it too late to book as they usually sell out fast!

*'Oh no they don't.....'*

**Bible knowledge**

A minister was approached by his small son who told him proudly, 'I finally figured out what the Bible means!' The minister thought of his extensive theological library and smiled indulgently. He asked his young son what he thought the Bible meant. 'It's easy, Daddy....' the young boy replied excitedly. 'It means 'Basic Information Before Leaving Earth.'

**Mouse Makes**

All of God's people are saints ...

*"To those who are made holy in Christ Jesus, and called to be saints, with all those in every place who call on the name of our Lord Jesus Christ, their Lord and ours".*  
from 1 Corinthians 1:2

The Bible tells us that a SAINT is not just a Christian that we think of as special but *anyone* who believes in Jesus.

... we are all members of the world-wide communion of saints!

## “When do we get our new Vicar?”

There have been some significant changes taking place within the church here in this community. Some of the change began in 2013 when Eastling and Stalisfield with Otterden parishes separated from Ospringe parish and we joined with the parish

of Throwley to create a new benefice, which we aptly named HIGH DOWNS, due to our geographical location - three parishes making one benefice. It's worth mentioning that a benefice is an Anglican Church term for a group of individual parishes sharing one priest and working together to provide a range of ministry, weekly services other shared resources. Importantly, the Church parish does not have the same boundary or function as the Civil Parish throughout the region as this is run by separately elected local officials.

In June 2017, our priest Revd Donald Lawton and his wife Norma returned to their home in Canada, this created a period of transition and change which we call an 'Interregnum', whereby we begin the process of engaging a new Priest-in-charge, which is an Anglican legal requirement, and establishing a holding period of Governance within the benefice, a duty undertaken by the Benefice Parochial Church Council (PCC) and filtered down to each Church leadership.

The next fundamental change has been that the Benefice of High Downs, which, as previously said, contained the separate parishes of Eastling, Stalisfield and Throwley, has now been superseded by the fulfillment of a legal requirement from 2013, that High Downs formally a benefice of three parishes has now become a single parish of three churches; St. Mary, Eastling; St. Mary, Stalisfield with Otterden and St. Michael and All Angels, Throwley. This means that the newly formed parish relaxes the boundaries between the three churches and is now served by one single governing PCC containing members from each of the three churches. Over this time, the Area Dean, Revd. Stephen Lillicrap, who is also the Priest-in-charge of the neighbouring Kingsdown and Creekside parish, has temporarily assumed the role of Priest-in-charge of High Downs Parish, and with the PCC has put in place a transitional governance arrangement, including

patterns of service in each church and other ministrations, including weddings, baptisms and funerals, whilst we consider the prospects of engaging a new Priest-in-charge.

To advertise and appoint a new Priest-in-charge for the High Downs Parish, we must meet the annual costs that this would entail. The Parochial Church Council (PCC) has seen that this will involve raising significant additional funds to cover ministry costs, along with the costs of running and

maintaining the church buildings, and any future appointment will be dependent on what the parish can afford. The Church here has a long tradition of having its own dedicated priest, and this would remain the wish of the PCC; however, other options would have to be sought should this prove too much for us financially. For this reason, the PCC is organising a “Stewardship Day” on the 4th February 2018 where further information will be given and a general appeal for funds made. Liz Mullins from the Diocese of Canterbury will lead the appeal and be available to assist in varying ways we can all support the funding of the ongoing ministry of the Church in this community and the continuing upkeep and care of our historic and cherished church buildings.

### Throwley

From Tricia Bridgeford at Catching Lives, Canterbury:

*I would like to thank you very much, on behalf of Catching Lives, for passing on the recent donation of food from Throwley Church. Please pass on our thanks to all those who donated. We appreciate all the food and other items we receive and it goes a long way in supporting the clients who access our Centre.*

*Catching lives are currently seeing between 45-55 people at the Canterbury Open Centre daily. The dedicated team at the centre, some of whom themselves have experience of rough sleeping, are expert in dealing with the many serious issues which the visitors have or are still facing, whether alcohol, drug, domestic abuse, mental health issues or just a quick downward spiral in their home lives.*

*Every person who seeks help from Catching Lives has a different and often tragic story and is looking for a helping hand where others have turned them away. Although we provide daily human needs, such as food, showers, laundry facilities and clothing, our aim is to help them get back to society and towards a new beginning.*

*Your support is very much appreciated.*

### Eastling

All the goods brought forward by the children from Eastling school have been taken to Faversham Foodbank. The fruit has gone to Age Concern, Faversham.

*Do not neglect to show hospitality to strangers, for thereby some have entertained angels unawares. Hebrews 13:2*

How true such advice can be. Hospitality is an equal partnership, the feel-good factor of offering it and the delight in receiving it.

HOST UK is a charity whose mission is to give a welcome to international students in British homes for friendship and cultural exchange. Whilst not a faith-based charity, it values the offers of hospitality that result from awareness-raising in Churches through parish news and word of mouth. Our students are both curious and fascinated by our traditions and happy to fully participate in everyday life. Our international students bring something really special to such a visit and experiences become treasured memories for all and forever.

Whilst we operate all year round Christmas or New Year is an especially valuable time

## Hosting with HOSTUK 2017

to enjoy welcoming guests into your home.

Consider what faces the international student *this* Christmas; a lonely hall of residence compounded with

the uncertainty of their welcome from a Brexiting Britain. They may also be from a country experiencing conflict or natural disaster and if none of this applies, then they are invariably far from home, family and loved ones.

Hospitality can be offered for one day (daytime only), three days and two nights at the weekend, or at New Year, or four days and three nights during the Christmas festive period.

**The choice is yours. And remember...your offer can be made at any time of the year.**

Police 101 Emergency 999

In Faversham and surrounding districts there have been quite a few reports of cars and vans being broken into with various valuables stolen from them. Thankfully, we locally have been immune to these occurrences but a reminder to make sure your vehicle is secure and, where possible, all items removed so as to resist any temptations.

A strong reminder that you must keep your dog on a lead in the vicinity of sheep. Should you dog be caught worrying sheep the penalties are high and could end up with the dog being destroyed. I will reiterate that the farmer has the right within the law that they can shoot any animal attacking their sheep. Let's make sure this does not happen please.

I am sure everyone has seen the rise in crime rates, Cyber crime being probably top of the list. Please do not pass your personal details onto anyone of whom you are not 100% sure. If there is any doubt contact 101 or give me a call and it can be resolved.

Have a good month and take care,  
Alan

The Gardening Group at Charing Surgery

When last we reported on the gardens at the Surgery, we had just received a kind donation of a greenhouse. Over the last few months it has been well used, and with a few little adjustments to the staging, is proving to be a great asset.

The Rose Walk from the A20 to the Surgery did surpass all our expectations with colour and scent, the only draw back was the very dry weather which has I am sure effected most gardens and frustrated gardeners. We still have the country roses in bloom, we hope they will continue to give a good show well into the autumn.

Our vegetable harvest has not been as good as we had expected, perhaps due to the very dry weather. Try as we might, watering has been very hard, watering cans are not really large enough to water all the plants. One day we may be able to arrange to have an automatic watering system, we can but dream!

On morning in late June, two members of the group undertook a survey amongst patients leaving the surgery. We were keen to find out if people knew about the Gardening Group and its purpose. The results were very reassuring, nearly everyone spoken to knew about the Group, all

were very complimentary, saying that they enjoyed sitting in and walking through the gardens on their way to and from the Surgery. Some said they would love to join the Group, but having large gardens of their own made it impossible for them to do more. We would like to thank everyone who took the time to talk to us that day.

We were visited in July by a member of the Kent Wildlife Trust to judge the Gardens in the Wildlife category. At first the thought of being judged did seem very scary, but in reality the lady who came turned the experience into a very pleasant afternoon. To our delight, a few weeks later we found we had won a silver gilt award, and three of the Group are off to Canterbury later in October to the Award Ceremony.

In late September, the Group had an outing to Sarah Raven's garden in Sussex. This was funded by the Partners of the Charing Surgery in recognition of all the hard work and enthusiasm of the members, and for the difference the Gardening Group is making to the patients' lives.

Just a little reminder that the Group is always happy to receive spare gardening tools, at present in particular garden folks/spades and pruning saws. For offers of tools or enquiries about joining the Group, please do contact Jo on 01233 713582.

Southern Alsatian Training Society

The September Open Dog Trial has come and gone again and our annual Kennel Club Licensed activity signifies the end of the year's events for the Southern Alsatian Training Society. Once again it was well supported by the competitors and helpers who travel long distances to be with us in this lovely corner of the country.

Eric Baker of Hurst Farm supplied us with the majority of the land we needed and David Murray of Snoad Farm supplying us access to his grass fields. I can't thank you both enough.

Stalisfield Village Hall was hired as our Base which, with its marvellous facilities, enabled us to feed all our helpers in the evenings as well. Marianne and Richard at the Plough supplied those attendees with caravans to have a convenient site on which to stay. Thank you.

For the first time, Nina and Graham of Vent House allowed us to use one of their fields for the Control and Agility section of the Tests. It was well received by the Judges and competitors and resulted in some good work by the dogs. Thank you very much.

## Otterden and Stalisfield W.I.

Puddings evening on 4th October was an interesting mix of deserts supplied by the Members for us all to try and take samples to those at home. There was quite a chocolate theme, but no desert was doubled up ranging through Lemon Tart with Fromage Frais, Cheesecake, Truffles, Profiteroles, Chocolate cake, Trifle, Apple Tart, Sticky Toffee Pudding..... There were more, but I can't remember them all!

Culminating our events for 2017 sees the ever popular Andrew Higgs returning for a Wine Tasting evening on Wednesday 1st November at 8pm. This starts off a fairly quiet affair, but gets noisier as the evening progresses and as wine is consumed. Andrew is knowledgeable and passionate about the subject of wine, so is a very interesting Speaker. Nibbles are supplied with the wine, guests are welcome at a £5 fee.

Our last Meeting of the year is another popular annual event - Wreath Making in time for Christmas. We are given instruction and purchase basic materials, but supply our own greenery to construct some quite unique wreaths. This will be held on Wednesday 13th December at 7.30pm, a little later in the month due to the Pantomime.

The Otterden & Stalisfield WI will also be celebrating our 10th birthday, so do come along to help us celebrate. Guests welcome at a fee of £2.

We are a friendly group of ladies who meet at Stalisfield Village Hall the first Wednesday of each month, with occasional outings organised as well. If you wish to join us please contact our Secretary, Lesley Andrews on 01795 890581 or our President, Stephanie Culver on 01795 890748.

## Christmas Trees 2017

Last year, 2016, we are very pleased to report that with your continuing support we raised in donations a record £11,460 for just over 250 Christmas trees. This is being given to over 50 parishes in this area and 25 charities largely as listed in previous years.

There will be available a reasonable number of the traditional Norwegian spruce, and the softer, slimmer blue tinge Serbian spruce.

As before, the arrangement is for you to make a donation for your tree; half is returned to your parish church with the balance going to the 25 charities. This is a great chance for you to raise funds for your parish church and some deserving charities at the same time.

Please phone or email us to fix a time and date, preferably at weekends, to visit to select prior to collection nearer Christmas. The trees are growing and will stay in the ground until collected so they stay fresher for longer.

Trees will be available for selection from SATURDAY 4 NOVEMBER. **PLEASE CONTACT US TO TELL US WHEN YOU'D LIKE TO COME!**

## EASTLING SENIORS' CHRISTMAS LUNCH

With Christmas just around the corner our thoughts are turning to our Christmas Lunch to be held on Thursday 7th December. Anyone over 60, including partners who may be younger, are very welcome and if you are new to the village or have had that special birthday please let us know. If you are able to attend but need a friend or relative to assist you they too are welcome and of course if you would like a meal delivered, perhaps you are not well enough to attend, then this can include a lunch for a friend or relative to share with you.

Faversham Community Choir will be joining us as usual for Carols around the Christmas tree. Invitations will be with you in early November - please reply by 1st December to Dorothy (01795) 890144, Marion 890848 or Pam 892194.

## Painters Forstal with Selling W.I.

We had a fabulous afternoon being shown all the different bags etc that Rosemary Crippin had made from such diverse fabrics as normal, felt, paper and plastic. Very inspirational.

The next meeting is our AGM in Eastling Village Hall, on 21st November at 2pm, when we will also learn about the history of the sponge cake and there will be some cake to try with our tea too! We hope more will come on the committee as the present members are running out of ideas and need some new input.

## THANK YOU

After a break of two years the Harvest Auction returned to the Carpenters Arms and it was as if it had never been away. An evening of the usual mayhem ensued with such generosity in both bids and items for auction. Our thanks to Carl and Marc for letting us take over the Carps and a huge thank you to Paul Adams - auctioneer extraordinaire.

The magnificent sum of £775.00 was raised being shared between the Seniors Christmas Lunch and extra facilities for the children's Rainbow Ward at the QEOM hospital at Margate. Thank you everyone who made this such a great evening.

## Short Mat Bowls

We started this season's East Kent league fixtures with our first game on 2nd October away against Hoverspeed, they play at Broadstairs. Des Briggs, Bryan Searley and Roy Piles won their game by 20 shots to 7. Eileen Piles, Chris Smith and John Graham only just lost, so we came back home with 4 points. They then came to Eastling on 20th October and again Des, Roy,

along with John Hobbs won on the last end 15 shots to 12. But, going through a bad patch, Eileen, Chris and John lost their game and Hoverspeed went home delighted with 4 points. Our next game on 27th October is away to Ash; report next month. In the mean time Roy played with Neil Faulkner in the Kent Domestic Pairs and won every game to go on to play in the final later on next month, we're keeping our fingers crossed for a good result.

New members are always welcome to join in the Friday sessions in Eastling village hall; 2.30 - 4.30pm and 7.30 - 9.30pm. Just bring along a pair of flat soled shoes to wear. Contact Roy Piles on 01795 537162
