Tony Horsfall considers Harvest.

Bringing in the sheaves?

At this time of year, unless you live in an extremely urban environment, you will have seen the signs of Harvest. Huge combine harvesters at work in the fields, reaping the golden wheat and barley, baling the straw and gathering the grain. For farmers it is the high point of their year, and a moment celebrated with thanksgiving in churches throughout the land.

But what about the spiritual harvest?

When Jesus spoke about the Sower and the seed, He likened the Gospel to seed that was sown with the hope of a harvest. Some fell on good soil and produced much fruit, but other seed was less fortunate and there was little outcome, a reminder that Christian ministry can sometimes be hard work.

An early missionary to Iran, Robert Bruce, wrote this to his supporters back home: "I am not yet reaping a harvest, I am not yet sowing the seed. I am not even ploughing the soil, but I am pulling out the stones. This too is gospel work, and worthy of your prayers."

With this in mind,

remember those who serve God faithfully in difficult and unresponsive situations, either overseas or here in post-Christian Britain. Some experience great success in ministry, for which we are grateful, and many churches experience times of growth, for which we give thanks to God. For others, though, they may well sow in tears before they can reap with songs of joy (Psalm 126:5-6).

What of your own situation? If you are enjoying a time of growth, be sure to recognise that it is God who gives the growth. But if the work is hard and disappointing, despite your best efforts, do not lose heart. The work is God's and we have only to be faithful.

August's meeting is not always so well attended, due to holidays and other activities being held. However, a dozen ladies were instructed by Helen Brooks on how to create hand-tied bouquets from their own flowers.

For our Meeting on 4th September, we have invited Derek March for a return visit. Last year he talked to us about English Cheeses, but this time he will be sharing his knowledge on keeping Bees. Derek keeps his own Bees, making honey and making candles from the Beeswax.

Our President, Ellie, is in the process of organising our next trip which will be to the Copper Rivet Distillery at Chatham Dockyard on 23rd October. This will encompass an hours tour, followed by a tasting of the Gin, Whisky and Vodka they produce. There is also another outing being organised by the West Kent WI Group at Ditton Community Centre that some of our WI will be attending. They are holding a Mature Drivers Conference on 7th November for the morning, led by KCC Road Safety Team. We will not be physically driving our cars, but will be reminded of the Highway Code and rules of the road and how the law may have changed since we took our Driving Tests (quite some time ago in many cases I suspect!).

Guests are always welcome to join our Group for a Meeting, to see if the WI is for you, or are particularly interested in a particular subject. Please contact Ellie Cameron on 01795 892016 or Helen Brooks on 07400580727. We usually meet at Stalisfield Village Hall the first Wednesday of each month at 7.30 p.m.

Painters Forstal with Selling WI

Members had a wonderful afternoon at Jacky Searley's. There were youngsters singing to us and a lovely history quiz which we did in pairs, (no I didn't win). I had to judge the fancy dressed up horses and donkey for which I got a lovely bunch of flowers as a reward.

On Tuesday 17th September we have a busy meeting with a retired police officer telling us how to be a real detective; Sandy Moriarty who is the new rep for Denman, giving us a short talk on what to expect when we go there.

Denman is the WI's centre for learning, offering a wealth of opportunities to learn new skills on day schools and residential courses in the field of cookery, craft and lifestyle. Also we have a WI Advisor coming to help us go forward, however that may be.

As usual anything further you wish to know please e-mail me on tombar72@hotmail.co.uk or phone 01795 890020.

Police 101 Emergency 999

Last month I issued a warning about the telephone scam regarding the £600. There have been numerous calls in the village made by this scam causing great consternation, should you receive one of these calls please just cut the call off. If you have any problems please call me.

I am pleased to say that there have been no problems at all during the school holidays from any youngsters which is credit to them all and of course their parents.

There has been an alert from KCC relating to doorstep rogues offering to cut down or prune trees etc., so please be very careful and should you be called on report it.

Usual thing about doorstep callers offering to do repairs on your property again send them packing and report it.

Should you have builders in at the moment or you are thinking of future installations, remember that the house owner is responsible to ensure that the builder has a current Disposal Licence for disposal of any rubbish. Failure to do so can incur a very costly fine and also will mean that the rubbish may be fly tipped in our countryside.

Have a good month and take care
Alan Willson, Village Warden.

Mouse Makes

Read the story in Mark 1:1-20

Once there was a man who went out to sow corn. As he scattered the seed in the field some of it fell along the path where it was stepped on and eaten by the birds. Some of it fell on rocky ground, when the plants sprouted they dried up because the soil was dry. Some of the seed fell among thorns which grew up with the plants and choked them, and some seed fell in the good soil; the plants grew and produced corn - a hundred grains each!
